D. CHAPTER 11 - EQUIVALENCES(RULE 71):

71. The various Boards have given equivalences to each others' examinations and consequently the transfer from one Board to another is possible on a point to point equivalence basis. However, each Board/University is at liberty to put eligibility conditions for the next stage e.g. Class XI or the 1st year of college or a professional course. In other words equivalence is only equating two examinations and Eligibility may have additional conditions prescribed by the Board/University

As regards the foreign qualifications, this Board accepts the recognition/equivalence determined by Association of Indian Universities, AIU House, 16, Comrade Indrajeet Gupta Marg, New Delhi. AIU have recognized for purpose of admission to higher studies in India the qualifications of about 85 countries all of which are listed country wise in the AIU publication 'Equivalence of Foreign Degrees'. Once the terminal exams stand recognized, the lower qualifications are automatically acceptable after verification of the original authenticated certificates/documents.
