

IMPORTANT NOTICE

The KVS Examination for the post of PGT scheduled on 23.12.2018 at Centre No. 42307 (GYANDEEP ENGLISH SCHOOL, LAMAHI, VARANASI UP.) had to be cancelled due to the reported wrong distribution of the PGT Test Booklets in Session I.

As per the report received from the External Observers (appointed at this Centre) and based on the report of the CBSE Incharge at Varanasi and Centre Superintendent of Centre No 42307, a mistake was committed in distribution of the test booklets at this centre. Considering the future of the candidates and based on their demand made to the Officers present at the centre including the Varanasi District Administration Officer (Assistant Commissioner Mr. Gaurav, IAS, Mr. Anil Kumar, IPS, SP) the examination for the PGT Session I was called off. The officers on the spot made their attempt to convince the candidates to allow the smooth conduct of the second session for which some of the candidates did not agree and demanded that both sessions be called off. Since, at all other centres, examinations were going on smoothly, a decision of calling off the Session I and Session II Exam at Centre No 42307 was taken in the interest of the justice to the candidates.

The news being spread by any unscrupulous element that the Booklets of 2nd Session was distributed by the Centre is untrue and misleading. The massive examination running into two days and six sessions were conducted across the country with all its sanctity under strict monitoring of the external observers, City Coordinators and the CBSE representatives.

A decision by the KVS and the CBSE Authorities has already been taken to reconduct the examination at Centre No 42307 at Varanasi on 30.12.2018 (Sunday) for Session I (PGT) and session II (TGT) at the same time, session and venue in the interest of the justice to the candidates.

Candidates have been sent individual mails intimating them the date of reconduct of the examination.

This notice may please be carefully noted by all concerned so as to not to get misguided by any rumours or so.
