02) CVC in its circular dated 17.08.2017 has mentioned that corruption can be defined as dishonest or unethical conduct by a person entrusted with a position of authority, either to obtain benefits to one self or to some other person. It is a global phenomenon, affecting all strata of society in some way or the other. Corruption undermines political development, democracy, economic development, the environment, people's health and much more. It is, therefore, imperative that the public must be sensitized and motivated in the Commission's anti-corruption efforts.

03) The Commission has emphasized that e-governance combined with systemic changes in procedures, minimal discretion, reduced public interface, technology based procurements and automation will go a long way in tackling corruption. The Commission has, therefore, advised all organizations/departments to have in place effective preventive measures to fight corruption and also to enhance transparency and accountability in their functioning. All organizations should strive to eradicate corruption in their respective sphere of activities. The Commission has therefore accordingly chosen "**My Vision-Corruption Free India**" as the central theme for Vigilance Awareness Week, 2017.
